THE "CARING HEART AWARD"

**A Christian Service Recognition Award
For Secondary Students**

PURPOSE

Teaching young people to be actively involved in witnessing and service activities is central to the educational goals of the school and to the mission of the church. For this reason, the secondary student "Caring Heart Award" for Christian service has been established to give recognition to those secondary students who have demonstrated a personal commitment to active participatory service and witnessing activities and programs.

Through the "Caring Heart Award" for Christian service, the importance of witnessing-service activities will be emphasized and given appropriate recognition along with academic, athletic, music, and other school awards and honors. It is the purpose of this award to not only give appropriate recognition, but to foster increased awareness and participation in witnessing-service activities by all students.

PROCEDURES FOR SELECTING AWARD WINNERS

Potential recipients of the "Caring Heart Award" for Christian service will be identified and nominated by staff members, pastor/campus chaplain, student leaders, or the school witnessing-outreach coordinator. The final screening and selection of the award recipient will be by a selection committee at each senior academy in the Pacific Union Conference comprised of the principal, Bible teacher(s), witnessing-outreach coordinator, guidance counselor or dean, and one or two student representatives.

In selecting the award recipient, the selection committee should choose a full-time junior or senior student with a strong citizenship record who has given evidence of a personal commitment to witnessing-service activities by exhibiting initiative and responsibility for carrying through on such activities. The student, through participation in witnessing-service activities, should serve as an overall example on the campus. Criteria to be considered might include significant and varied participation in service-type activities, witnessing experiences, and mission trips (inside and/or outside the country).
