

CREATION Kids | Early Childhood Education Curriculum

April 2017

The North American Division has teamed up with Florida Hospital to create an Early Childhood Curriculum for 3 year olds, young 4 year olds and older 4's to young 5 year olds. Themes for this curriculum are based on the CREATION Health model.

Unit 1 Introduction: Meet My Creator

Units 2-9

Choice – Follow the Leader

Rest – Ready, Set, Rest

Environment – God's Beautiful World

Activity – Made to Move

Trust – My Great God

Interpersonal Relationships– Family, Friends, Fun

Outlook – Jesus My Joy

Nutrition – Healthy, Happy Me

Activities in Language, Math and Science lessons are labeled for easy planning for the children in the classroom.

Activities for 3 year olds

Seedlings

Activities for young 4 year olds

Sprouts

Activities for older 4's and young 5 year olds

Flowers

For more information and to order the curriculum visit the new CREATION Health Kids web site at: <http://creationhealthkids.com/>

The CREATION Kids curriculum is now the official curriculum for the SDA early childhood programs in the North American Division and the PUC is offering a \$100 grant for those who purchase a curriculum for their ECEC program.

For more information about the Curriculum Grant, call: 1-805-413-7342.
