

CREATION Kids | Early Childhood Education Curriculum

November 2017

The North American Division has teamed up with Florida Hospital to create an Early Childhood Curriculum for 3 and 4 year olds. **CREATION Kids is now the official level one curriculum for ECEC programs in the NAD.**

Themes for this curriculum are based on the CREATION Health model.

- Introduction: Meet My Creator
- Follow the Leader - CH: **C**hoice
- Ready, Set, Rest - CH: **R**est
- God's Beautiful World - CH: **E**nvironment
- Made to Move - CH: **A**ctivity
- My Great God - CH: **T**rust
- Family, Friends, Fun - CH: **I**nterpersonal
- Jesus My Joy - CH: **O**utlook
- Healthy, Happy Me - CH: **N**utrition

CREATION Kids is a digital, self-contained, comprehensive curriculum that includes the following:

- Teacher's Guide
- Instructional Teaching Units
- **Teacher Facilitated Activities:** Faith/Bible, Character/Fruit of the Spirit, Culture and Community (Social Studies), Get Active!, Literacy/Language/Writing, Math, Science
- **Child Facilitated Learning (Exploration Stations)**
Ideas for: Art station, Block station, Cultural station, Literacy station, Math station, Science station, Dramatic play station
- Teacher Resources that include: Supplementary materials such as pintables, videos, music, supply lists for each unit, parent newsletters, snack ideas and more

The Pacific Union Conference continues to offer a \$100 grant for ECEC programs that purchase the curriculum. Each classroom may need to have their own copy of the curriculum, as the curriculum can only run on two devices at a time.

The curriculum can be ordered online: <http://creationhealthkids.com/>.
