<p>Datha Tickner, Doug Schmidt, Harold Crook, Heather Barker, Kelle Leach, Kimberly Matthews, Natalie Wilkening, Patrice Osborne, Stephen Stokes, Vic Anderson.</p>	<p><b>MEMBERS ABSENT</b></p>
<p>Nancy Garcilazo gave a devotional to start the morning.</p>	<p><b>WORSHIP</b></p>
<p>Members of the Elementary Curriculum Committee attended a field trip to Curtis Middle School, grades 6-8 (1050 N Del Rosa Dr, San Bernardino, CA 92410). Committee members observed how Project-Based Learning is incorporated into the classroom. This program is a stepping stone for the endless educational opportunities that students will find in Health and STEM related careers. The school's program is supported by the district, local businesses, as well as Loma Linda University Medical Center.</p>	<p><b>ELEMENTARY ASSOCIATE SCHOOL VISIT</b></p>
<p>Members of the Secondary Curriculum Committee attended a field trip to San Gorgonio High School. Grades 9-12 (2299 Pacific Street, San Bernardino, CA, 92410). Committee members observed how Project-Based Learning is incorporated into the classroom. This school has three programs: Academy of Information Technology, Academy of Design and Engineering, and Academy of Health Science. These programs lead students to success and prepare them for the future. Members of the committee were able to observe classrooms in action, and get a glimpse of the different programs.</p>	<p><b>SECONDARY ASSOCIATE SCHOOL VISIT</b></p>
