K-8 Moving Some Instruction to Outdoor Classroom. Outdoor Infrastructure Planning Strategies are available through The Green School Yards America website at: <https://www.greenschoolyards.org/covid-learn-outside>

K-12 Program Helps Students Exercise at Home. The videos focus primarily on PE teachers, showing students how to exercise using circuit training, yoga, boot camp and more at high intensity interval Videos can be from 3 to 20 minutes. <https://www.youtube.com/channel/UCoK7-BnbAICAPaPQ7-5-g>

SCIENCE - By Design Labs are interactive virtual simulations in immersive environments providing teachers and students access to materials not typically available in the classroom. Visit <https://bydesignlabs.org/web/sample-labs> or email bydesignlabs@llu.edu for more information.

Tutorials, provide teachers with instruction for *By Design* textbook labs developed by PUC on the *ByDesign* website: <http://bydesignlabs.org/home/content/video-tutorials>

Mystery Science is another excellent resource for the students to access here is a sample. <https://mysteryscience.com/mini-lessons/plant-poisonous?loc=mini-lesson-button#slide-id-9404>

Reptile Resources from our SDA Researchers on the Road. Wild Man Dan & Friends share videos and coloring pages for all.

Michael's Lizards: <https://youtu.be/Z-SvH8oX9Yo>

Wild Man Dan: <https://www.researchontheroad.com/daily-vlog>

Coloring Pages: <https://www.researchontheroad.com/activities>

Creature Observation Forms: <https://www.researchontheroad.com/outdoor-education>

Reptiles, Chameleons on our favorite show, Wild Kratts:

When educator's login to the **Big Ideas** Digital Platform they land on the teacher dashboard page, clicking on Resources under the Featured Components, they will see many available choices to curtail their program. In addition, the following link provides more resources for SDA educators. https://www.cengage.com/coursepages/SDA_National_K8

Secondary Subject-Area Inservice Coming soon to a ZOOM near you! Opportunity for secondary teachers in the areas of Bible, Language Arts, Mathematics, Physical Education/Health, Science, and Social Studies, to have "shop-talk" time with your colleagues from around the Pacific Union Conference. This ZOOM opportunity will take place on Monday, January 25, 2021, from 4:00pm – 5:30pm Pacific Standard time. Great opportunity to share resources, get support for challenges, share what is working well, get to know your subject-area colleagues better, and much more. Mark your calendars. More information coming soon.

NAD Secondary Standards

Are you now teaching based on standards? Has your textbook become a resource rather than a curriculum guide? Check out the NAD Curriculum Standards for your subject area at: <https://adventisteducation.org/sst.html>

Looking for something to do? Try doing a Google search on "Tired of online education." Many interesting articles: some sad, some scary, some humorous, but most are informative.
